

# THE WILSON PRACTICE

Patient Update 07.09.21

## **Delay to first flu clinic date at The Wilson Practice**

Sadly The Wilson Practice has been affected by the national flu vaccine delivery issues. We are very sorry to inform you that we have had to cancel flu vaccination appointments on Saturday 18/9/21

This clinic was available for those 18 to 64 year olds in clinically at risk groups.

**If you had already booked a slot for your flu vaccination appointment on Saturday 18/9/21, we have changed this to the same time on Saturday 25/9/21.**

If this time is not convenient, please change your appointment online, or if this is not possible, contact the surgery. Once again, we are sorry for this change but the situation is outside of our control.

If you have a mobile number or email address, we'd like to know it so that we can contact you by this method in future. It is the quickest way for us to communicate with you.

Thank you for your understanding.

The Wilson Practice
